

CURRICULUM VITAE

IAN JEFA MWARO | EMAIL: ianjefah@gmail.com | TEL-PHONE: 0742053607 | NAIROBI, KENYA.

PROFILE

Software Developer with a solid foundation in computer science and hands-on experience building web applications using modern technologies. Skilled in backend and frontend development, database design, and API integration. Passionate about writing clean, secure code and continuously learning new tools to solve real-world problems.

TECHNICAL SKILLS

- Programming & Frameworks: JavaScript, HTML5, CSS3, React, Node.js, TypeScript
- Databases: MySQL, SQL
- Web Development: Responsive Design, WordPress, E-Commerce Systems
- Networking & Systems: Server Configuration, CCTV Setup, Radio Equipment, Transmitter/Receiver Installation
- Tools: Git, GitHub, Packet Tracer, VS Code
- Other: Software Documentation, Agile Team Collaboration, Problem-Solving

PROFESSIONAL EXPERIENCE

IT Support Attachee | Jamiro Broadcast Limited – Nairobi | Feb 2022 – Apr 2022

- Installed and configured CCTV surveillance systems, improving security operations.
- Assisted in server replacements and system upgrades for client infrastructures.
- Configured radio broadcasting equipment, ensuring minimal downtime during deployment.
 - Customized and integrated WordPress templates for client websites, enhancing usability and design.
- Supported transmitter and receiver installations, contributing to seamless broadcast operations.

Key Achievements:

- Successfully completed multiple system installations on schedule, ensuring 100% operational readiness.
- Gained hands-on experience in both IT infrastructure support and software development projects.

PROJECTS

- **PortFolio.** <https://ian-jefa.github.io/PortFolio/>
- **Password Analyzer.** <https://ian-jefa.github.io/Password-Analyzer/>
Developed a tool to evaluate password strength using HTML, CSS and JS, providing realtime feedback on security levels.
- **E-Commerce System.** <https://ian-jefa.github.io/Shoe-Haven/>
Built a functional online shopping system with product listing, cart management, and checkout features and showcasing front-end.
- **Law-Firm Portfolio.** <https://ian-jefa.github.io/Advocate-PortFolio/>
This responsive SPA implements a modern frontend architecture with HTML5 semantic markup, CSS3 Grid/Flexbox layouts, and vanilla JavaScript for dynamic interactivity.

EDUCATION

- Bachelor of Science in Computer Science (Software Option) Kabarak University
– May 2018 to Dec 2024
- Kenya Certificate of Secondary Education (KCSE) Nairobi School – 2014 to 2017

CERTIFICATE

Web Development
